Not because she is easy with us nor because she is hard on us, and not because she comes late and leaves early nor wastes our time, but because she expects us to be and makes us be better than we are, and is never too busy to help with the hard ones and because her motto, "you can not, you must not, and you better not," goes further than cross multiplying, we of the Eagle staff dedicate this issue of the Eagle to our sponsor, Mrs. Emma Fancher Beemon.

President's Message

SCIENCE:

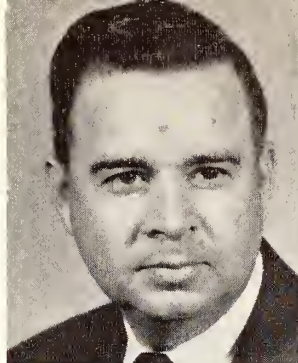

In completing a new science building on our campus we are preparing to give our students the proper instruction in science to fit them for the technology of the age in which we live. But while we appreciate and enjoy the material comforts of antibiotics, television, jet planes, atomic power and the host of other contributions of scientific inquiry, we must never get so engulfed in the conveniences of the pushbutton age that we forget that the greatest struggle of man is the struggle between good and evil. Nor can we lose sight of the fact that evil lies not in things but in the heart of man where are conceived the uses for the things he has created. So let us ever commend our students to seek wisdom in goodness lest we use our knowledge to destroy ourselves.

Sports

Assistant Coach—DURWOOD GRAHAM

Coach—FRANK YOUNG

Head Coach—JOE RENFROE

Once again Coaches Renfroe and Young proved to be a winning combination as they coached a small but powerful team to the State Junior College Championship. With his experience as a member of the team when it won the Junior Rose Bowl, Durwood was good on the line and as a scout.

"Sonny" Wiman and "Goose" Summerlin deserve credit for a job well done.
